

2020 Board of Directors Statement of Interest

Nancy DiGregorio

It is an honour for me to be seeking re-election on the Tandia Financial Credit Union Board of Directors.

I have been a Director, for the past 24 years, where I was a Director on the Board of the Teachers Credit Union and I presently represent the membership on the Board of Tandia Financial Credit Union.

As a Director, I have served on all the committees of the Board and presently I chair the Governance, Ethics, Human Resource and Policy Committee as well as serving as Vice Chair of the Board.

The responsibilities of being a Director of a Credit Union and being a representative of its members are immense. Clearly understanding my responsibilities, and knowing the importance of professional development, I have successfully completed all the levels of the Credit Union Director Achievement Program and recently received my Accredited Canadian Credit Union Director Certificate.

During all of my years as a Director I have served the Credit Union diligently and I have always made sure that the interests of the members has been at the forefront of any of my deliberations.

As a member of the Board I recognize the importance of Board Planning Sessions, where I participate in all of the sessions fully recognizing the importance of establishing Strategic Initiatives so that Tandia continues to sustain profitable growth.

As a very involved citizen, in the City of Hamilton, I am proud to be associated with a Credit Union which has a deep concern for its citizens and has taken the responsibility to build partnerships in order to serve the marginalized in our city.

It has been a pleasure, as a Board member, to interact with an outstanding group of committed employees and a dedicated group of individuals who serve on the Board.

It has always been exciting to be part of your 'Shared Interests' and with your support I look forward to continuing my work on the Tandia Board in order to help with future growth and to continue to enhance services and products for our members.

Thank you for your support.
Nancy DiGregorio
