

2021 Board of Directors Statement of Interest

Bruce Neville

I have enjoyed serving on the Board of Directors for Tandia for the past three years and would like to serve a second term. I believe that my experience and skills have contributed to the effective direction of the credit union.

In the past, I have also served the credit union system as a director of Credit Union Central of Ontario and as a director of the Deposit Insurance Corporation of Ontario.

My background includes nine years working in Actuarial Services at the Workplace Safety and Insurance Board. In 1994, I along with a partner founded Nexus Actuarial Consultants Ltd., a consulting firm that specializes in providing actuarial services to municipalities in Ontario and Workers' Compensation Boards across Canada. I continue to work as an owner and a consultant.

I live in Pickering with my wife, Desiree and sons Adam and Matthew. I am an active volunteer in my church, my community and the credit union system. In the past I have made presentations at credit union conferences on Director's Responsibilities and Liability; on Credit Unions Working Together; and on Gender Diversity in the Boardroom.

I am seeking re-election to the Board of Tandia to continue to serve the membership of Tandia and help ensure that the members continue to receive the highest level of service and innovation. I believe that I have the knowledge, skills and experience to assist Tandia's Board and members in achieving its vision to lead the cooperative banking movement.

I ask for your support in the election for Tandia Board of Directors.

Thank you.
Bruce Neville
