## **Notice for HWDSB Teachers: Pay Period Adjustment—September 2021**

We have been notified by the Hamilton Wentworth District School Board that pay periods are being transitioned from monthly to bi-weekly, starting Thursday September 2.

We are proactively identifying members who are HWDSB teachers in advance, and will reach out to update their loan and mortgage payments to coincide with their new bi-weekly payroll schedule.

If you have any concerns or wish to adjust any auto-transfers you may have for savings, branch staff can help or you can contact our **Member Solutions Centre**.
